

nalgene®

MADE IN USA

A slim shape and fortified cap make On-The-Fly ideal for care-free storage in work bags, gym bags, backpacks and cup holders. Opens easily for convenient one-hand refreshment on the fly. Locks to prevent spills. Made in our new Sustain material derived from 50% waste plastic (using ISCC certified mass balance), further offsetting the use of fossil fuels and lowering greenhouse gas emissions.

Features

- **BPA/BPS Free** So you can drink water that's safe and tastes great.
- **Fits Cupholders** This bottle fits in cupholders so you can take it with you on the road or at the gym.
- **Leak-Proof Guarantee** Continuous, straight shouldered semi-buttress threads keep the bottle sealed tight.
- **Recycled Material** Made from recycled materials so you can look good and feel good.
